All Our Dishes are cooked to Order and finished with a locally grown Micro Cress. Conor Wilson from Bullford Farm in Kilcoole (Less than 5miles away) specialises in these products and grows them on site to our specification. Micro Cresses are known to contain up to 40 times higher level of Nutrients than their mature Counterparts and strength of flavour is much higher. Currently we are using Micro Red Mizuna, Borage, Baby Rocket, Sakura Radish, Daikon Radish and Micro Pea shoot in our mix.
