

Dear Member,

Firstly, I would like to thank you for being a member of the Glenview Leisure Club and choosing us to be part of your health and fitness journey. Here at the Glenview Leisure Club, we are committed to continuously improving your health and fitness experience.

Over the last few year's the club has worked tremendously hard to improve and enhance the facilities as much as possible, allowing us to keep moving the club forward for the enjoyment of all of our members.

However, like many businesses, we are facing **significant increases in operational costs**, including energy costs, water usage charges, building renovations and club maintenance, gym equipment repairs, insurance/rates, IT, and rising staff costs.

Additionally, **the minimum wage in 2025 has increased by 28.5% compared to 2022**, which has significantly impacted club overheads. Costs from all of our suppliers have increased significantly over the past number of years and we have absorbed these rising costs, however we are now in a position where we have had to review all membership rates and we will be rolling out the new membership rates from 1st May 2025. We hope you understand that this is not done lightly and is a necessary for us to be able to improve and develop the club and what we offer.

Our membership sales team will be in touch with you shortly regarding your new membership renewal.

Finally, I want to personally **thank you** for your continued support and we truly appreciate having you as part of the Glenview Leisure Club.

Kind Regards,

Declan Crean

Declan Crean
